

A man and a woman are sitting on a dark, possibly metal, bench against a light-colored, textured wall. The woman, on the left, has long brown hair and is wearing a leopard-print puffer jacket with a red interior lining. The man, on the right, is wearing a black puffer jacket with a large hood and a small 'Schott' logo on the chest. Both are looking directly at the camera with serious expressions. The overall tone is urban and minimalist.
