1928

Irving Schott crea una cazadora funcional para ir en moto. Será el primer fabricante en incorporar una cremallera a una prenda de cuero. El Sr. Schott tras examinar su trabajo llama a esta prenda "PERFECTO" como su puro cubano favorito.

1950

Será el año de "Salvaje" donde Marlon Brando hará que la "PERFECTO" se convierta en el símbolo de los jóvenes rebeldes.

1955

James Dean muere en accidente de coche vestido con su "PERFECTO" y pantalones grises de franela. Hace que el mito se perpetúe, convirtiéndose esta prenda en un medio para cualquier protesta.

1960 - 70 - 80

Elvis Presley, Bruce Springsteen, The Clash y en España, Loquillo y Mecano, lo adoptan como su vestuario de escenario y su poder de atracción no disminuyó con el tiempo.

1978

John Travolta en "CREASE" hace que incluso Olívia

Newton John se vista con una cazadora cruzada, en una secuencia de la misma.

1980

En los 80 la "PERFECTO" se convirtió en el vestuario de los parisinos del "all-night parties". En clubs como Les Bains, Douches y Le Palace, era utilizado sobre pantalones ajustados o minifaldas.

1990

Entre 1985 y 1990 la marca Schott vendería en Francia más de 30.000 "PERFECTO".

Vivienne Westwood, Gianni Versace, Jean Paul Gaultier, Thierry Mugler, Claude Montana, Karl Lagerfeld, Dolce & Gabbana y muchos otros diseñadores vendrían con formidables variantes.

2003

Hermes en su colección del 2003 fue quien presentó una cazadora biker. Para entonces, Schott se habría convertido en un referente de la moda joven con más de 400.000 "PERFECTO" vendidas en el mundo.

2005

"PERFECTO" cumple su 75 aniversario y se

presenta en una caja especial como una edición limitada.

2005 - 06 - 07 - 08

Arnold Schwarzenegger como Terminator, Nicolas Cage como el motorista fantasma, aquí los chicos de Isi-Disi o incluso el joven ayudante de Indiana Jones, harán de la cazadora de cuero cruzada con cremallera parte de su vestuario.

2010

En este se hizo una "PERFECTO" en LIMITED EDITION MADE IN U.S.A. hecha en cuero de caballo, al estilo de la original utilizada por Marlon Brando. La llamamos "MBLE" (Marlon Brando Limited Edition).

2011

Para este año, nuestra "PERFECTO" en LIMITED EDITION MADE IN U.S.A., será una prenda réplica del modelo del año 1945. Se trata de una "PERFECTO" en cuero marrón con un tratamiento de lavado especial así como un interior en tejido "café racer". La llamaremos "MB45E" en referencia al modelo de Marlon Brando edición de 1945.
